Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Directors. Committees established by resolution of the Board of Directors shall keep regular minutes of their proceedings and shall report the same to the Board as required.

Developer shall not use its veto power or control of the Board of Directors to reduce the level of services described in the Offering Plan or prevent capital repairs or prevent expenditures required to comply with applicable laws or regulations. While Developer is in control of the Board of Directors, no mortgage liens will be placed on the Common Properties without the consent of at least 51% of the home owners other than Directors or Developers nominee. This subparagraph (c) may not be amended without the written consent of the Developer.

(d) At all meetings of the Board, a majority of the Directors shall be necessary and sufficient to constitute a quorum for the transaction of business, and an act of a two-thirds majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by Statute or by the Declaration or by these By-Laws. If a quorum shall not be present at any meeting of Directors, the Directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting until a quorum shall be present.

(e) Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. The Architectural Committee shall be initially composed of three (3) persons, each of whom shall be a representative of Developer. Members of the Architectural Committee may be removed at any time without cause by the Person appointing such member as provided herein. The Board shall have the right to appoint and remove the two (2) other members of the Architectural Committee, at the organization meeting of the Board following the first meeting of the Association. (b) Rights of Appointment.

(2) By the Board. The Board shall have the right to appoint those members of the Architectural Committee which Deve-

loper is not authorized to appoint until such time as Developer's rights of appointment have expired, and thereafter the Board shall have the right to appoint and remove all members of the Architectural Committee. Architectural Committee members appointed by the Board shall serve for a term of one (1) year or until their respective successors are appointed.

(3) Notice of Appointment. Whenever an Architectural Committee member is appointed or removed while both Developer and the Board have rights of appointment, written notice of such appointment or removal shall be given by the appointing party to the other party.

(c) Plans and Specifications. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, landscaping plans, elevation drawings and description or samples of exterior material and colors. Until receipt by the Architectural Committee of any required plans and specifications, the Architectural Committee may postpone review of any plan submitted for approval. Decisions of the Architectural Committee and the reasons therefor shall be transmitted by the Architectural Committee to the Applicant at the address set forth in the application for approval, within ninety (90) days after receipt by the Architectural Committee of all materials required by the Architectural Committee. Any application submitted pursuant to this Section shall be deemed approved, unless written disapproval or a request for additional information or materials by the Architectural Committee shall have been transmitted to the Applicant within ninety (90) days after the date of receipt by the Architectural Committee of the Applicant's most recent submission.

(d) Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(1) The Architectural Committee or its duly authorized representative may at any time inspect any Improvement for which approval of plans is required under this Section 3. However, the Architectural Committee's right of inspection of Improvements for which plans have been submitted and approved shall terminate sixty (60) days after the work on Improvement has been completed and the respective Owner has given written notice to the Architectural Committee of its completion. The Architectural Committee's rights of inspection shall not terminate pursuant to this paragraph if plans for the work of Improvement have not previously been submitted to and approved by the Architectural Committee. If, as a result of such inspection, the Architectural Committee finds that the Improvement was done without obtaining approval of the plans therefor or was not done in substantial compliance with the plans approved by the Architectural Committee, it shall notify the Owner in writing of failure to comply with this Section within sixty (60) days from the inspection, specifying the particulars

of noncompliance. The Architectural Committee shall have the authority to require the Owner to take such action as may be necessary to remedy the noncompliance.

(2) If upon the expiration of sixty (60) days from the date of such notification, the Owner has failed to remedy the noncompliance, the Architectural Committee shall notify the Board in writing of such failure. Upon Notice and Hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date that notice of the Board ruling is given to the Owner. If the Owner does not comply with the Board ruling within that period, the Board, at its option, may take whatever action it may have at law, in equity or in the Declaration or By-Laws.

Section 4. Examination of Books and Records. Each Member, or their respective representatives and first mortgagees, shall be entitled to a reasonable examination of the books and records of the Association at any time upon reasonable notice to its Board of Directors. The Declaration, Certification of Incorporation and the By-Laws of the Association shall be available for inspection by any Member or first mortgagee at the principal office of the Association.

Section 5. Construction. Whenever the masculine singular form of the pronoun is used in these By-Laws, it shall be construed to mean the masculine, feminine or neuter, singular or plural, whenever the context so required.

In the case of any conflict between the Certificate of Incorporation and these By-Laws, the Certificate shall control; and in the case of any conflict between the Declaration and these By-Laws, the Declaration shall control.

Section 6. Severability. Should any of the covenants, terms or provisions herein imposed be or become unenforceable at law or in equity, the remaining provisions of these By-Laws shall, nevertheless, be and remain in full force and effect.
